

Parking & Arrival Instructions for Focus Partners Wealth

The parking garage entrance is located on the first floor, through the pass-through between the Fidelity office and the Polished Peak nail salon. While it may look like a walkway between storefronts, it leads directly into the building and toward the garage.

Once you enter, turn right and continue under the yellow height clearance sign to access the garage. The keypad to open the garage door is located on the driver's side. Please use code 2500# to enter. The door will close behind you, but it will open automatically when exiting from the inside.

After parking, proceed to the elevator lobby. The door has a handle that does not turn, so you can simply pull it open to enter.

From there, take the elevator directly to the second floor to reach our office suite, #250.

There is also limited street parking on the west side of the street if you prefer to park there.

If you have any trouble finding the entrance or accessing the building, please feel free to call. Our office phone number is (719) 265-4600. We're happy to help guide you.
